

# Newhall PTG Minutes

## October 18, 2011

In attendance: Kristen Britten, Doreen Huizinga, Lisa Burgess, Nora Saenz, Anne Harig, Tamara Wright, Katie VanDongen, Kim Grzeszak and 4 students.

Kristen started the meeting at 7:01, welcoming everyone.

The minutes were reviewed and approved.

Treasurer's Report: We have \$4,582.96 currently in our account. Our estimated income for the year is \$10,200. This number is dependent on the success of our fundraisers. Our estimated expenses for the year are about \$6,300. The budget was approved.

Principal's Report: MEAP is going well. Since the standards are higher this year we will have a lower number of students considered proficient. After school tutoring is available on Tuesdays and Thursdays until 4:30. A late bus is available to take students home. Conferences are scheduled for Nov. 4, from 12:30-3:30 and Nov. 7 & 8, from 4:15-7:00. Staff is working on increasing parental involvement. Things being considered are a showcase of students' work and a parental computer class. The parent survey will also be on the computer in room 103.

Fundraising Report: See budget for estimated income from fundraisers. Movie Night is November 18 at Celebration Cinema-Rivertown. Join us as we watch the newest installment in the Twilight saga: New Moon, pt 1.

Kennel: Lisa and Doreen will be doing inventory this Friday. The Kennel will be open and offering a sale rack during conferences.

Student Council: Students are still able to sign-up for student council. Interested students should contact Ms. Davis. They have already started planning many school improvement and community service projects including raking leaves for elderly neighbors, a childcare day, a skating party and volunteering at Crash's Landing. If teachers need volunteers, please contact Anne Harig.

Halloween Dance: Posters will be going up around school. Students will be able to purchase a pizza/pop combo for \$2. Pizza provided by Frankie V's. Baked goods donated by parents will also be available. Thursday night we will be gutting pumpkins for the pumpkin carving contest. Students will buy tickets for activities: picture, pumpkin carving, pizza/pop combo. We have lots of volunteers.

Alzheimer game is October 21 at Wyoming Park.

Ann Maede is now in charge of the baking network. Thank you, Ann!

Meeting adjourned at 8:07pm.

Next meeting is Tues, November 15, at 7:00pm in the media center.
