Severe Weather Procedures

The Superintendent's office continuously monitors weather advisories and alerts schools in the event of approaching severe weather.

If students are in school when a tornado watch or thunderstorm warning is issued, students and staff will remain in school, taking shelter in designated areas. Tornado drills are held in each school to instruct students in the procedures to follow during a tornado warning.

KCTC Open House

Kent Career Tech Center welcomes students, families and the community on October 29 from 6:30-8:00 p.m. to tour the facility and its programs and meet instructors during the annual Fall Open House. Explore the ways we help students bridge the gap from high school to college and career.

The Tech Center features 30 different programs preparing high school juniors and seniors for great careers. Options range from Avionics

to Health Careers and Graphic Design to Culinary and more - all with hands-on learning in a real-world environment. Free college credit, high school credit and great business connections are just some of the advantages students earn. New this fall: additional high school credit options through a partnership with Michigan Virtual University. Contact Principal Ron Moag for more information at 364-8421 or visit www.kc-tc.org.

Enroll Now for 2009-10 Preschool

Applications for the 2009-2010 Preschool Programs are now available at Huntington Woods Early Childhood Center at 4334 Byron Center and elementary school offices.

For more information, call Paula at 530-5671.

Traditional Program

(Tuition-Based Program)

**Huntington Woods
Early Childhood Center**

- 3 & 4 year olds
- Two or three half-day programs
- Tuition is \$663 - \$944/full year

Great Start Readiness Program

(Free Program)

GSRP is a State of Michigan funded preschool program available free to qualifying residents in Wyoming Public Schools District.

Children must be four years old by December 2, 2009 and qualify in any two areas of the state guidelines, such as low income, single parent, teenage parent, low birth weight, non-high school graduate parent, chronically ill parent or sibling (*such as asthma or diabetes*), speech impairment or non-English speaking families.

Children enrolled in this program will attend school four half days. Based on enrollment, programs will be offered at Huntington Woods Early Childhood Center.
